Continuation of Substance of Interview including description of the general nature of what was discussed:
During the interview, examiner discussed with the undersigned attorney the allowable subject matter. The examiner indicated to the undersigned attorney that the independent claims need to incorporate the features found in the dependent claims in order to put the claims in allowable condition. These features must be incorporated into the independent claims to further clarify the claimed invention. The applicant agreed to the proposed examiner's amendment and confirmed by the examiner on 9/10/2009. .
